Reach newly connected businesses sourced from 4-1-1- directories on a weekly or monthly hotline. Businesses, similar to consumers, are known to establish buying patterns in the first three months after a move. Companies who reach out to them during this crucial time can reap long-term benefits by establishing relationships that can carry them into the future. New Connect is the largest file of its kind, compiling 170,000 businesses every month.

SUGGESTED OFFERS:

Financial Services, Catalog, Restaurants, Services, Continuity Club
